

Social Policy Update

Keeping you informed about the social policy work of CIB and our funded services

www.citizensinformationboard.ie

July 2026, Volume 19, Issue 3

Welcome to the July edition of Social Policy Update, a newsletter produced by the Citizens Information Board's Data and Research Team.

In this issue, we focus on **housing** issues for clients of Citizens Information Services (CIS).

CIB News

Recent CIB policy & research activity

Here we update on CIB's recent policy and research work, including our Pre-Budget Submission.

The Citizens Information Board is mandated to feed back to Government on the effectiveness of current social policy and services, highlighting issues of concern to service users. The Data and Research Team carries primary responsibility for fulfilling this mandate. We analyse evidence from our funded services, channelling it to Government policymakers and public service providers.
